- As of 2019 the UCAS application fee will be £1.
- When you apply, you have <u>three choices</u> for teacher training providers.

Once you've submitted your application, the next thing that will happen is....

- The providers receive your application through UCAS and review it.
- You will receive an 'invitation to interview' letter from the training provider.
- The interview is likely to involve:
 - A panel interview 30 mins
 - A class room teaching activity 10 mins / 20 mins
 - A written skills task
- You will receive a letter either making a conditional offer from the provider or explaining the reason for not offering a place.
- It is fine to wait until you have interviewed with all three of your choices before accepting an offer. You should not accept an offer and then reject it because you have had another one.
